**The Economical Insurance Group[®] and blueC 802 Inc.
announce partnership in offering TEIG Tele[™]**

Waterloo, ON – The Economical Insurance Group (TEIG[®]) and blueC 802 Inc. are pleased to announce their partnership in offering TEIG Tele.

TEIG Tele is an award-winning broker management phone call-recording software offered to TEIG's broker community. TEIG Tele is focused on improving the essentials of broker business operations, especially in the areas of quality control, risk management and regulatory compliance. This product will be introduced to TEIG brokers over the next few months.

“At blueC we are dedicated to providing state-of-the-art phone call recording and call management solutions that are uniquely designed to meet the needs of insurance brokers”, said Bob Casselli president and ceo of *blueC 802 Inc.* “Partnering with TEIG was a natural choice for us, given their expertise and solid commitment to the broker community. We see an opportunity to make an exceptional contribution to the efficiency and competitiveness of brokers.”

Doug Heaman, a TEIG broker from *Advocate Insurance Group* who uses the TEIG Tele system in his brokerage praises the system: “TEIG Tele gives us significant business advantages including the tools to improve producer performance through call review training, protection to deal with errors and omissions claims, and efficient resolution of ‘he said she said’ disputes.”

“One of our main priorities is to support the success of our broker partners,” said Jorge Arruda, senior vice president, operations. “This is another strategic partnership to contribute to our brokers’ success.”
