

blueButler Work@Home Express Pricing:

- Subscription: hosting fee \$99 / month plus \$11 per phone per month * *depending on size of agency*
- only 3-month commitment required
- “Out of the Box” Scripts and Checklists included; Consultation on Scripts and Checklists free upon conversion to One Year Subscription
- Option during initial commitment period to convert to one-year Subscription – get one-month blueButler Subscription free on one-year commitment.
- The phone solution can work as an overlap to your existing phone system or as a total replacement

If you have a hosted VoIP phone service integrated with blueButler:

- No need to buy new phones - Users can use their mobile and or soft phones on their computer and they will work with the system
- An "out of the box solution" that can be deployed seamlessly and quickly
- Check with your blueC Sales Rep for participating VoIP phone vendors.

blueButler integrates with Applied Epic and your phone system to keep you connected anywhere!

If you don't have a hosted VoIP phone service integrated with blueButler, get the blueButler **Work@Home Express Package** at a great price now!
